Historic Preservation Commission
Monday November 17, 2008**

In Attendance: Bob Ess, Wes Stone, Steve Dyson

Absent: Kathleen DeLaney, Kate Waterman-Kulpa, Arvela Heider

Liaison: Mary Lowther

Since a quorum was not present, the meeting was discussion only. Members who did not have copies of the minutes were given copies. Approval deferred until next meeting.

Discussed historic districts in general, re-use of Sweet Jenny's by new coffee shop, Coffee Culture and agreed that a forum held in February at the Meeting House with Julian Adams would be an excellent use of HPC. Will formulate at the next meeting and contact Julian after date is set.

Discussed the fact that HPC has not seen information on wall repair in Glen Park. Since Glen Park is a designated local Historic site, HPC should issue a Certificate of Appropriateness for the replacement. Mary will check with Brian Kulpa re: status of work and how it will come to HPC for review.

Next meeting set for Monday, December 29 at 7:00 PM.

Adjourned 7:40 PM.
