

**Meeting Minutes**  
**Historic Preservation Committee**  
**Monday May 28, 2009**  
**7:00 p.m. Village Hall**

Attending: Bob Ess, Kate Waterman-Kulpa, Mayor Mary Lowther-Board  
Liaison

Absent: Steve Dyson, Wes Stone, Arvela Heider

Since there has not been a quorum, Chair was not chosen and there was no agenda.

Bob Ess reported that he had taken pictures of village designated landmarks which he gave to Mary to hold in HPC permanent file. Five landmarks had signs posted. Mary will again follow up with Marty's about replacing his sign on the building.

Bob, Kate and Mary proceeded to the mill to examine the interior for the local designation sign. It was not found, but the state and national marker was. Bob took it and will mount it on the building to the left of the main entrance to the building.

It was agreed that Mary will speak to Bee reporter about an article on HPC and need of members. Kate will make a contact with a friend who may be interested as well. Committee did not set a June meeting, but were hoping to have some new members to name at re-organization and then set future meeting date.

Meeting adjourned at 8:00 pm.
