The Honorable Village Board:

Re: Glen Park Development
Site Preparation
Contract No. 1

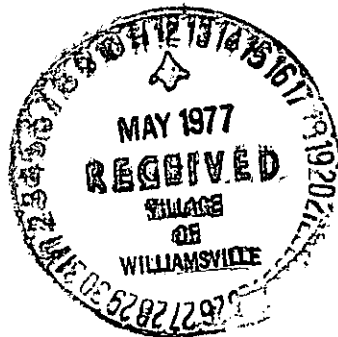

We have reviewed the bids submitted for this contract and find them all in order.

The low bidder, L. Miller Bros., Inc. is well known by our firm and to the construction industry and are known to be reliable and highly capable to perform the required work. It is therefor our recommendation that they be awarded Contract No. 1 at the appropriate time for the sum of \$78,361.00.

Very truly yours,
