

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Wednesday, October 14, 1981 at 7:37 PM

Trustee Brenton: It's always been in the back of my mind. I have a very good friend that's interested in preservation of railroads and is a railroad man himself and is known throughout the United States for his knowledge of this. And we have discussed this and currently he's working in New York because there's no work here, but it's been in the back of my mind to do something in that vein and I have also talked to International Chimney.

Mr. Kuzon: I'm sure there are good intentions but the neighbors are complaining.

Trustee Brenton: Look at that house that York owns. I mean it's probably in a worse condition.

Mr. Kuzon: They complain about the fact that the building grounds are very unsightly and they started right after Mr. McDowell was there to put the roof on.

Trustee Brenton: I think that's why they put the roof on because that roof really looked terrible.

Mr. Kuzon: You go through all these little towns and see all these railroad stations are abandoned. It should be owned by the Village.

ON MOTION by Trustee Murray, seconded by Trustee Kibby, it was moved to return to the regular agenda.

Unanimously carried.

ON MOTION by Trustee Murray, seconded by Trustee Bancroft, the meeting was adjourned at 7:54 PM.

Unanimously carried.

Theresa L. Cummins,
Village Clerk-Treasurer
