

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

| | | |
|-----------|---------|--------------------------------------|
| Roll Call | Present | Gordon J. Kuzon, Mayor |
| | | Richard Gallagher |
| | | Carolyn Schlifke Trustees |
| | | Theresa L. Cummins, Village Clerk |
| | | Phil Boudreau, Dept. of Public Works |
| | Absent | Lawrence Brenton, Trustee |
| | | Michael Kibby, Trustee |
| | | Thomas V. Troy, Village Attorney |

Mayor Kuzon called the meeting to order at 7:32 PM.

Mayor Kuzon explained that Trustee Brenton was on vacation and that Mr. Troy and Trustee Kibby were attending the South High School graduation exercises as they had children graduating this evening.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the minutes of the regular meeting held June 10, 1985 were approved.

Unanimously carried.

ON MOTION by Mayor Kuzon, seconded by Trustee Schlifke, the minutes of the public hearing held June 10, 1985 regarding a proposed local law to add Section 60.32(6A) to the Traffic Code were approved.

Unanimously carried.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the minutes of the public hearing held June 10, 1985 regarding a proposed local law to add Section 16.40(E) to the Fire Prevention Code were approved.

Unanimously carried.

Mayor Kuzon said the Village has received notice from the State Department of Environmental Conservation with respect to public hearings that will be held in the near future regarding a tentative freshwater wetlands map for Erie County. Even though there are no designated wetlands in the Village there are some 20 designated wetlands in the Town, which represents some 4% of the total area of the Town. Copies of this correspondence are available in the Village Office. The public hearing will be held on Tuesday, July 16th from 2:00 PM to 7:00 PM. There are informational meetings on Tuesday, July 9th and Wednesday, July 10th at Erie Community College South campus. We do have a map which shows the wetlands that have been designated.

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

Mayor Kuzon said that for more than a year now International Chimney and their lease with the Village for property has been the subject of discussion and debate at our Board meetings. Between the time of our last meeting and now, Trustee Kibby has written a letter to International Chimney bringing to their attention that the land they are using is not limited to the land which they are leasing and he asked that they remove their materials, equipment and other construction remnants from that area which is not leased and he is going to have the Village Building Inspector inspect the Village property during the week of July 9th to make sure that their machinery and what not has been removed from the Village property that they are not leasing.

Mayor Kuzon said at our last meeting there was a motion to table a rezoning permit by Benmar Development to rezone land in the Wellington Court area from R-2 to R-3M. As a result of that tabling the board has written to Mrs. Gustafson indicating the major issues to be addressed before further consideration of the rezoning. Trustee Kibby wrote this letter and he has informed Mrs. Gustafson that four points need to be examined. The first one would be decreasing the number of proposed units somewhere between 23 to 26, or considering the project as long as no more than 35% of the property is used for building. The second point is to provide an alternate storm sewer system, that would not lead into the California Dr. storm sewer. Third would be to provide an alternate sanitary system that would not lead into the Los Robles sanitary sewer. Fourth would be creating as great a setback from Cayuga as possible. No specific setback was indicated but the intent is to design the buildings to provide as great a setback as is reasonable and consistent with the neighboring property.

WELLINGTON
REZONING
Discussed

Mayor Kuzon advised that over the last few years the village has received funds for its highways under the CHIPS Program which is funded by the State of New York. We have received notice that quarterly payments will continue to the Village and we will receive payments in the neighborhood of \$5,000 quarterly for the next year.

Mayor Kuzon said the Building Department has issued two building permits since our last meeting. At 5687 Main Street they want to convert the back of that property into an apartment. At 198 Hirschfield they have a permit for an addition.

ON MOTION by Mayor Kuzon, seconded by Trustee Schlifke, vouchers in the amount of \$67,360.19 were approved as follows:

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

| | | |
|--------------------------|---------------|------------------|
| Payroll Fund | W/E 6/14/85 | \$ 6,548.98 |
| | W/E 6/21/85 | <u>6,533.49</u> |
| Total Payroll fund | | \$13,082.47 |
| General Fund | Abstract #587 | 22,894.13 |
| Sewer & Water Fund | Abstract #168 | 27,479.79 |
| Glen Park Jt. Activities | Abstract #107 | 258.71 |
| Federal Revenue Sharing | Abstract #172 | 219.20 |
| Trust & Agency Fund | Abstract #206 | <u>33,425.89</u> |
| Total Vouchers | | \$67,360.19 |

The larger vouchers were to Erie County Water Authority, Warren D. Miller and Amherst Builders.

Unanimously carried.

Mayor Kuzon said his next resolution is made in Trustee Kibby's absence since he is the individual who sponsored this motion. It was the subject of a public hearing at our last meeting. It simply states that any person designated as an Enforcement Officer may issue appearance tickets when there is a violation of the code.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the following resolution was adopted:

RESOLVED that Local law #3 - 1985, Adding Section 16.40(E) to the Fire Prevention Code, which was the subject of a public hearing on June 10, 1985, is hereby adopted.

LOCAL LAW ADOPTED

#3-1985

Add Section 16.40(E)
to Fire Prevention
Code

Unanimously carried.

Mayor Kuzon said his third resolution is also offered in Trustee Kibby's absence and appoints an architect-engineer to draw plans and specifications for the Meeting House. As you know, the Meeting House has been studied by the Board and it was found that it needs some structural repairs before it can be renovated for use by the Village Historical Society. They are working on the specs now and this would formally authorize them to proceed.

ON MOTION by Mayor Kuzon, seconded by Trustee Schlifke, the following resolution was adopted:

(Please Use this Form for Filing your Local Law with the Secretary of State)

Text of law should be given as amended. Do not include matter being eliminated and do not use italics or underlining to indicate new matter.

Village

..... Williamsville as follows:

§16.40 (E) Any person designated as an "Enforcement Officer" under Section 16.12 of this Code is authorized to issue an appearance ticket in case of violation of any state statute, or regulation or any local law or regulation relating to fire prevention and safety.

This local law shall take effect immediately upon filing with the Secretary of State.

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

APPOINTMENT

RESOLVED that Joseph A. Siracuse, P.E., 5505 Main Street is hereby appointed to draw plans and specifications for the renovation of the Village Meeting House at a fee not to exceed \$3,800.00.

**Engineer to draw
specs for
renovation of
Meeting House**

Unanimously carried.

Mayor Kuzon advised that previously we had gone ahead and authorized specs and awarded the bid for the simple renovation of the Meeting House, which renovation was intended to include use by the Historical Society. Since that time we have taken a more in-depth look at the structural integrity of the building and found that it needs more repairs before renovation can take place. At this point we're going to reject the bids that we received almost a year ago and go ahead with the structural rehabilitation and then the renovation for use by the Historical Society.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the following resolution was adopted:

RESOLVED that the Village Board hereby rejects all sealed bids submitted for the renovation of the Village Meeting House on August 17, 1984.

MEETING HOUSE

**Bids of August 1984
rejected**

Unanimously carried.

Mayor Kuzon said his fifth resolution authorizes the Clerk to advertise for bids to begin the structural renovation of the Meeting House based on new plans and specifications which are being drawn by our consultant..

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the following resolution was adopted:

RESOLVED that the Village Clerk is hereby authorized to advertise for sealed bids for the renovation of the Village Meeting House. Sealed bids to be opened on July 24, 1985 at 10:00 AM in the Village Clerk's Office, 5583 Main Street, Williamsville, New York. The Clerk shall advertise for the bids in the official Village newspaper at least five days before the date on which the bids are to be opened and upon opening of the bids shall make a record by listing the name and address of each bidder, the amount of his bid, the nature and amount of security furnished, and all alternate bids and tradein allowance, if any, and present such records to the Board

AUTHORIZATION

**Clerk to advertise
for sealed bids
for Renovation
of Meeting House**

of Trustees at the first regular or special meeting of the Board following the opening of the bids.

Unanimously carried.

Mayor Kuzon said his next resolutions deal with the blizzard disaster request that was denied and the flood disaster request that was approved. This is a procedure that we have to follow.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the following resolution was adopted:

WHEREAS the NYS Executive law, Article IIB, Section 28a calls for political subdivisions to comply with certain local recovery and re-development plans, and

BLIZZARD

WHEREAS it is the considered opinion of this Board that such a plan would be impractical and unnecessary under the circumstances relating to the Blizzard of January '85 and the Governor's declaration effective January 19, 1985,

Disaster Resolution

NOW, THEREFORE, BE IT RESOLVED that this Board notifies the NYS Disaster Preparedness Commission of its intent to forego preparation of any such local plans in accordance with Section 28a, Article IIB, NYS Executive Law.

Unanimously carried.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the following resolution was adopted:

WHEREAS the NYS Executive Law, Article IIB, Section 28a calls for political subdivisions to comply with certain local recovery and redevelopment plans, and

FLOODING

WHEREAS it is the considered opinion of this Board that such a plan would be impractical and unnecessary under the circumstances in the Presidentially declared flooding disaster - FEMA 734 DR NY - and the Governor's declaration of February 23, 1985 pertaining to same flooding conditions,

Disaster Resolution

NOW, THEREFORE, BE IT RESOLVED that this Board notifies the NYS Disaster Preparedness Commission of its intent to forego preparation of any such

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

local plans, and to work with appropriate local, state and federal agencies in the development of a plan which may be appropriate to our circumstances and need based on any prior and future studies by the various local, state and federal authorities and funding appropriations for same.

Unanimously carried.

Mayor Kuzon advised that we have received approval for reimbursement for our expenses incurred during the flooding, which was a recognized disaster.

Mayor Kuzon said he has another resolution. This one appoints a part-time seasonal laborer in the D.P.W. We hired two individuals at our last meeting but since that time one has resigned.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the following resolution was adopted:

RESOLVED that Ronald Gaczewski, 46 Hillside, is hereby appointed Seasonal Laborer in the Department of Public Works from June 25, 1985 to October 4, 1985 at the rate of \$3.50 per hour.

APPOINTMENT

Seasonal Laborer
in D.P.W.

Unanimously carried.

Trustee Schlifke publicly thanked the Beautification Committee members who have been planting flowers in the Village. They still have some more to plant. They are - Mary Ann Piazza, Marie Olczak, Lynn Riley, and Janet Lester. They are responsible for planting the flowers at Main and Evans in the island, and in front of the Meeting House, and hopefully in the next day or so they will be doing the Memory Garden at Garrison Park. They also have some plans to do some planting around the gazebo in Garrison Park and in front of the rest rooms in Island Park. Hopefully so they can be beautified in time for Old Home Days.

Trustee Schlifke advised that there will be no Traffic & Safety Meeting in July. Their meeting would fall during Old Home Days. The Historical Preservation Committee also will not meet in July, however her second resolution concerns something that they are working on and she has been assured that many of the members will be present at that public hearing.

Trustee Schlifke said her first resolution deals with a public hearing that was held at our last meeting. It limits

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

the parking on E. Spring Street to one hour. This was a request by a business owner on the street. Traffic and Safety did take a survey of the street and it was agreeable with all the businesses.

ON MOTION by Trustee Schlifke, seconded by Trustee Gallagher, the following resolution was adopted:

RESOLVED that Local law #4 - 1985, Adding Section 60.32(6A) to the Traffic Code of the Village of Williamsville, which was the subject of a public hearing on June 10, 1985 is hereby adopted.

LOCAL LAW ADOPTED

#4 - 1985

Add Section 60.32(6A) to Traffic Code - 1 hr. parking on east side of E. Spring St.

Unanimously carried.

Trustee Schlifke said the Historic Preservation Committee has been working on designating certain buildings or sites in the Village that have specific historic significance. She has only been with the committee a couple of months but these plans were already in the works. They have already designated one, which was approved by the Board, and that was the Mill.

ON MOTION by Trustee Schlifke, seconded by Trustee Gallagher, the following resolution was adopted:

RESOLVED that the Village Clerk publish notice of public hearing to be held by the Board of Trustees of the Village of Williamsville on July 22, 1985 at 7:35 p.m. in the Municipal Building, 5583 Main Street, Williamsville, New York for the purpose of hearing all persons interested in discussing designating the Castle and its site at 175 Oakgrove Drive as a local landmark, per the Historic Preservation Code.

PUBLISH NOTICE OF PUBLIC HEARING

Designate "Castle" as Historic Preservation Site

Unanimously carried.

Trustee Gallagher reported that with respect to Academy School the voters had voted to sell the building. It is his understanding that a referendum will be held on August 6th, at which time the referendum should read that they are seeking approval for the sale of the school to the Christian Academy for a designated amount, which he believes is \$295,000 along with other stipulations. More information on that will be available through the media and through our office. Hopefully at our July 24th meeting this Board will take a position supporting this endeavor.

With respect to the Youth Board, Trustee Gallagher reported that the planters that were delivered through the efforts of the D.P.W. staff last Thursday were planted by the youth on Saturday. They deserve a lot of credit for initiating

this endeavor to help beautify Main Street. There is a calendar of events or activities sponsored by the Youth Board for youth in the Village for July and August. They are available in the Village Office.

With respect to the pools, Trustee Gallagher reported that the Garrison pool should be open tomorrow and Island pool should be open Wednesday or Thursday.

Trustee Gallagher reported on the difficulties that we are continuing to experience in the parks, specifically Garrison Park. A number of teenagers are beginning to think that is their territory - the park and surrounding area. Through the efforts of the owners in the immediate vicinity along with increased security that we have put on, and we hope to add to that a meeting with representatives of the Amherst Police Department to see what they can do, because he thinks the village has gone as far as they can and that now it is strictly an enforcement issue of which we are going to request much better and more effective enforcement by the Police Department. Some of the youth have been arrested and there will continue to be arrests until the message has been driven home that they should leave. He hopes at the next meeting he can report that a lot of action will take place.

ON MOTION by Trustee Gallagher, seconded by Trustee Schlifke, the following resolution was adopted:

RESOLVED that Michael Holz, 54 Gordon Street, and Joel Siepierski, 117 S. Ellicott Street, are hereby appointed Seasonal Pool Cleaners for the Department of Public Works effective June 25, 1985 at the rate of \$3.45 per hour.

APPOINTMENT

Seasonal Pool
Cleaners

Unanimously carried.

ON MOTION by Trustee Gallagher, seconded by Trustee Schlifke, the following resolution was adopted:

RESOLVED that Jennifer Azzarella, 130 N. Ellicott Street, and Marci Lynn Wirth, 121 Mill Street, are hereby appointed Flower Caretakers from June 17, 1985 to September 30, 1985 at the rate of \$3.35 per hour.

APPOINTMENT

Flower Caretakers

Unanimously carried.

ON MOTION by Trustee Gallagher, seconded by Trustee Schlifke, the following resolution was adopted:

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

AUTHORIZATION

RESOLVED that the Mayor is hereby authorized to sign lease agreement with Hutchinson Hose Company for premises at 5005 Sheridan Drive from June 1, 1985 to May 31, 1986.

**Mayor to sign lease
with Fire Dept.
for Station #2**

Unanimously carried.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, it was moved to suspend the rules for public participation.

Unanimously carried.

Mayor Kuzon said at our last meeting we said that we would reserve the first portion of public participation for discussion on our Los Robles-California Dr. sanitary and storm sewer investigation report. He asked if there was anyone present who wished to speak to that.

Dwight Hamilton, 166 Los Robles, said the memo he submitted covers the comments his group wished to make.

Warren Miller, 169 S. Cayuga, said he came to get information on the report. He asked if it had been completed. Mayor Kuzon advised that it was basically discussed at our last meeting. He told Mr. Miller that if he would stop in the office after the meeting he could obtain a copy of the report.

Mr. Miller submitted a letter to the Board, a copy of which is attached to the minutes. He said he agreed with Trustee Schlifke on the work of the Beautification Committee members and hope the people on Main Street could do as well with their lawns and trees. He also voiced his objections to the placing of the newspaper vending machines on Main Street especially when they chain them around a tree and place them on the grass. He asked if they had a permit to do this. The Clerk said she thinks only one has a permit. Mr. Miller asked how he could get one moved. Mayor Kuzon asked which one he would like moved. Mr. Miller said the one in front of 5727 Main St.

Mr. Miller then read his letter to the Board. It dealt with the Garrison Park neighborhood vandalism and enforcement problems, and his willingness to cooperate with the Village on this problem. He said basically what is happening is they chase them out of Garrison Park and they come around on their property and they tell the officers they have permission to be there, which they don't. Trustee Gallagher thanked Mr. Miller for the expeditious response to their request and it should go a long way to help us take care of this problem. Mr. Miller said he would prosecute them if they catch them.

June 24, 1985

LEGEND: LRSB = Los Robles South Block (the block between Milton and Calif.)
LRSBR = LRSB Residents affected by subject problems
LRSBRR = LRSB Representation

TO: Village Board, Williamsville, New York
FROM: Dwight T. Hamilton
SUBJECT: LRSB Environmental Problems Caused by Defective Sanitary and Storm Sewers
COPIES TO: Amherst Town Board, via Deputy Supervisor Collier
New York State Department of Environmental Conservation (DEC)
ATT. Mr. Michael Snider

References:

1. May 1985 Engineer's Report, URS Company, Inc., entitled Sanitary/Storm Sewer Investigation - Los Robles Street/ California Drive Area
2. May 31, 1985, Memo to Environmental Advisory Council of Williamsville (EAC) and DEC, from Dwight T. Hamilton and LRSBR neighbors

This memo is a summary of information merged from many discussions.

I. Brief Chronology

5-23-85 LRSB received Ref. 1.

5-24 Special Meeting of Board: The Board took action intended to alleviate the sanitary sewer problems at the north end of LRSB.

6-5 Meeting of LRSBR representative (D. Hamilton) with EAC: The EAC concluded subject problems are not within its scope of operation.

6/7-6/10 In response to the LRSBR 6/7 request (via D. Hamilton) to the Board (via Mayor Kuzon) for a meeting with Board representatives to learn the Board's position on Ref. 1, a meeting was scheduled for 5:45 pm on 6/10. Mayor Kuzon, Kevin Johnston and Dwight Hamilton attended this meeting. The following presentation prepared for this meeting was summarized:

"Again we wish to thank the Village and the Town for collaborating on investigation of environmental problems in our area caused by defective sanitary and storm sewers, and we wish to express special appreciation to Mayor Kuzon and Deputy Town Supervisor Collier for their use of personal vacation time during school Spring Recess to tour our area with residents for further understanding of the seriousness of the problems. We further thank the Village Board for the very informative URS report recently issued. Variations of understanding within the Board on the seriousness of problems covered in the URS report appear to be significant. We are pleased with government environmental services which help us work with the Board toward increased understanding. We need to see in writing, as part of official Village records, the Board's position on the URS report, including the nature and extent of action on environmental problems in our area, before we can prepare a memo of response.

"We urge continuing Village-Town cooperation which holds down costs of problem solutions, and look forward to aiding Village and Town personnel in every way possible as development of a basis for prompt funding of problem solutions proceeds."

Since the Board's position on the URS report remained to be determined, the meeting was concluded.

6-10 Regular Meeting of Board: The URS report was reviewed briefly. The Board's plans for determination of its position on the report were indefinite.

II. On-going Evaluation of Ref. 1 (URS Report)

Evaluation of Ref. 1 by LRSBR and consultants thus far indicates that Ref. 1 recommendations should be carried out promptly, and its cautions should be heeded. During his field tour with LRSBR, the URS Engineer, Mr. Bowers, pointed out that investigation of Pasadena was not within the scope of the contract under which Ref. 1 was prepared. Therefore, LRSBR discussions bring out that an added recommendation should be that the storm sewer line running south at the south end

of Pasadena should be connected to the California storm sewer line. Only a very short run is required to make this connection (see Figure 3, following page 5 in Ref. 1). This recommendation would then include abandonment of the storm sewer line running from Pasadena to Los Robles thru private properties.

The cause of serious sanitary sewer problems at the south end of Los Robles is pointed out on page 2 of Ref. 1 as follows: MH334 to 333 - Root penetration of pipe joints located 90ft and 100ft from MH333. Since Ref. 1 provides no recommendation for solving these problems, LRSERR needs to discuss them with cognizant Village personnel and LRSERR needs to subsequently review the Board's official written recommendation for solving these problems before the Board takes action. **

Pending Board actions on carrying out the recommendations of Ref. 1 and supplements as covered above, LRSERR needs a meeting ** with cognizant Village personnel to determine if there are any reasons why the following measures cannot be taken immediately:

Plug the opening(s) in the indicated wall of each of the following storm sewer collector pits:

1. West wall between 67 and 75 Pasadena
2. North wall between 216 and 220 California
3. East wall at 118 Los Robles

Thank you for your assistance as we seek to continue working with you to achieve prompt solutions to subject problems. Also, thank you for your on-going collaboration with the Town of Amherst to make such solutions realizable with minimum cost and compatible with mutual concerns.

Dwight T. Hamilton

Dwight T. Hamilton

** Many of those who can best collaborate to solve subject problems have summer commitments which will make summer meetings difficult to arrange. This need not diminish at all the resolve of all concerned to achieve solutions as soon as possible.

Williamsville, New York 14221

Re: Garrison Park Neighborhood Vandalism and Enforcement Problems.

Dear Honorable Board Members,

I am pleased to see the efforts of the Village sponsored security officers at Garrison Park, and especially noteworthy are the efforts of Officer Paul J. Kihl. However, the park problems of: trespass, loitering, vandalism and both alcohol and drug abuse have been displaced onto the neighboring properties. This is an unacceptable situation, which must be met directly and aggressively by strict and non-selective law enforcement.

Our properties on the Garrison - Park Drive - South Ellicott Block, which also include the commercial buildings at both 5727 and 5759 Main Street, have been vandalized, illegally entered, the interiors burned and defaced, trespassed upon and parked equipment and vehicles damaged. The lack of solving the problem has displaced the perpetrators to hiding and gathering upon our premises and invading the the legal rights of our tenants.

The situation has passed the stage of conversation with the problem individuals to encourage them to leave or refrain from illegal conduct; it is time to arrest and prosecute those individuals who are committing these acts, not converse with or displace them.

I wish to go on record as supporting the efforts of the Village and the Amherst Police Department and to encourage the arrest of those individuals that are observed committing illegal acts. I have not given any persons permission to be on or about our premises or buildings, to include the use of any restroom facilities (which are provided strictly for the private use of our tenants); and request that all legal means be exercised to ensure the protection of our neighborhood, buildings and tenants.

I welcome and encourage the presence of our Officers upon our properties at anytime to eliminate these problems.

Respectfully,

Warren D. Miller

Minutes of the Regular Meeting of the Board of Trustees of the Village of Williamsville held in the Municipal Building, Williamsville, New York on Monday, June 24, 1985 at 7:32 PM

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, it was moved to return to the regular agenda.

Unanimously carried.

Mayor Kuzon announced that the Board's next regular meeting will be on July 22nd. However the Village Board will be conducting a work session on July 8th.

ON MOTION by Mayor Kuzon, seconded by Trustee Gallagher, the meeting was adjourned at 8:00 PM.

Unanimously carried.

Theresa L. Cummins
Village Clerk-Treasurer
