Verbatim Section of Public Participation of 6/10/96 Board Meeting
as applies to James Tricoli.

Tricoli: Good Evening. It is a pleasure to be here.

Mayor Piazza: Just give your name and address for the record,
please.

Tricoli: The name is Jim Tricoli and it's 4 Columbia Drive. Uh, the last three or four weeks, uh, we've been, uh, video taping, uh, the property of the traffic on Rinewalt Street and on Main Street and, uh, on several occasions there have been up to two or three cars parked on Main Street off of the street on the property in front of Mrs. D'Angelo's business. So, therefore, it is on the, well it's not a sidewalk there, it's just property, so it should be ticketed but since we only have one ticket lady, I think she's a lady, the people there do not get tickets. But I have it eight different days where they are there. So I think maybe either they stop parking there or we can get the ticket lady to come over there and give them tickets because they are parked illegally. Also, I have a good friend who owns three pieces of property on Rinewalt and he is upset that, uh, his driveways are being blocked quite a bit, not by inches, uh, by more in the, and we have taken photographs of that, video tapes of that. You are the duly elected Board by the people of the Village of Williamsville, and, I, again it's the people of Williamsville who elected you not the businesses of Williamsville. If we cannot see fit to listen to the people, the residents of Rinewalt and their serious problem and they're asking for a pro_____, for a solution that isn't that difficult to phantom - two hours of parking - I think it is a good idea, but if we are going to give in to the businesses, then maybe we should have businesses vote for the candidates instead of the people vote for the candidates. I appreciate your time and your patience and the other thing, I would recommend strongly that we do not hire relatives to monitor any of our playgrounds, monitor our swimming pools, cause when you hire relatives you ask for problems. Now, I think if this Board could pass some kind of resolution this week or next week or, so we can have, uh, it written down clearly that no relatives can be life guards at pools and things like that, that would be a great help to the Village. That way everybody has an equal chance of being hired. Thank you very much. Have a good day, Mayor Frese. Have a good day.

Mayor Piazza: Thank you for your comments. We don't really agree with everything but that's um, the way politics is anyway.

Trustee Frese: With everything?

Tricoli: Mr. Frese -

Trustee Frese: Your time is over, sir.

Tricoli: Your time never began.

Trustee Frese: Chuckle

Tricoli: Your day is done ?

Trustee Frese: Don't forget who you're talking to.

Tricoli: Who are you? Nobody.

Trustee Frese: We'll see.

Tricoli: Yes, we'll see.

Trustee Frese: We'll see.

Tricoli: You are a child and a punk!

Mayor Piazza: Sir

Tricoli: He made a comment. -

Mayor Piazza: Unnecessary to get into name calling at this stage of the game.

Tricoli: Sorry.
