Village of Williamsville Beautification Committee
Mission Statement

The Beautification Committee is a group of volunteers appointed by the Village of Williamsville Board of Trustees whose mission is to beautify the Village by designing, planting, and maintaining the following Village of Williamsville public gardens: the Mural Garden in the pocket park at 5565 Main St.; the Memory Garden at Garrison Park, and the Heritage Garden of 1812 at the intersection of Main St. and Evans St. The committee embraces a welcoming, pollinator-friendly, historical, educational, cultural, and artistic environment that nurtures and highlights community pride and engagement. Working as a flexible team, the committee shares garden ideas and knowledge with the community and each other while enjoying the outdoors, forging friendships, and improving the aesthetics of the entrusted public greenspaces.
