WORK SESSION:

PJ presented an idea to have regularly scheduled weekend work hours Saturday and Sunday 10:00 – 12:00, coffee afterwards for any members and volunteers available

Discussion of redesign of the upper garden revamp, plants types to be added. Stressed using plants specific to the local region. Kyle continues to work on the design.

Rotary Circle maintenance will continue with whatever efforts the Rotary Club can support.

Discussion of the Tree of Heaven abatement program. The grant has been submitted and we are waiting for determination

Volunteers will be contacted for Love my Park Day (May 2). Christina has the Girl scouts Cleanup activities for Spring

Discussed removing 2 trees in Upper section of the park and large dead tree near the Mill.

Motion to remove the small garden near the Locks of Love Handicapped parking lot made by PJ, seconded by Christina, passed unanimously

Kyle presented an idea to add Bat houses to Glen Park and other local parks. Favorable response for members.

Doug asked for more signage to designate Glen Park on Main Street
