Member(s) of the audience who addressed the Board and their comment(s) [*Board of Trustees' comments are in italics*]:

1. **Jessica Reynolds – Village Resident**

- Topic: Speeding on Hirschfield Drive.
- Hirschfield has become a pass through from Wehrle Dr. to Main Street
- Speed limit not well marked.
- Problem seems to be closer to Main Street.

2. **Nick Roth - Village Resident**
   - 20+ year active volunteer in the Village
   - Appearing as member of Traffic & Safety Committee
   - Speeding, traffic issues, parking issues are not the responsibility of the Village. The Village does not have the authority.
   - Parking is out of control. Has been out of control for years.
   - Understand that the Village is investigating technology-hand-held scanners.
   - Please tell me 3 vendors that that the Village has contacted regarding this.
   - *[Mayor Hunt-The Village started looking into it in February.]*
   - All these vendors have online demonstrations, have you gathered as a Board and reviewed some of these presentations? What is the timeline?
   - *[Mayor Hunt-to date, we have one. We did not budget for it this year, this was prior to our budget meeting. We did not feel that we had the funding to budget for what we would need to put into place. It will not be this year. If we budget for it will be in the next budget once we have some RFP's and some actual dollars.]*
   - Suggests residents contact APD for traffic and safety issues they have the authority to enforce in the Village.

Minutes of the regular meeting of the Village of Williamsville Board of Trustees held at Village of Williamsville, 5565 Main Street, Williamsville, NY on Monday, June 22, 2026 at 7:30 p.m.

Office of the Mayor

Village of Williamsville, New York

Proclamation

WHEREAS, the Village of Williamsville is strengthened by individuals who promote connection, understanding, and a sense of belonging within the community; and

WHEREAS, Trey Young, youth pastor, and graduate of Williamsville South High School, has become a familiar and uplifting presence in the Village through his consistent outreach of offering free hugs and encouragement during all seasons to those traveling down Main St. in the Village; and

WHEREAS, through this simple yet meaningful gesture, Trey Young has demonstrated a commitment to promoting kindness, positivity, and human connection within the community; and

WHEREAS, his efforts have contributed to the spirit of goodwill that defines the Village of Williamsville and reflect the values of generosity and fellowship that the community strives to uphold;

NOW, THEREFORE, by the authority vested in me as the Mayor of the Village of Williamsville, on behalf of the Village of Williamsville Board of Trustees and all citizens hereof, I, Christine Hunt, Mayor of the Village of Williamsville, do hereby proclaim the following:

1. That Trey Young be, and is hereby, officially recognized and commended for his dedication to uplifting the residents and visitors of the Village by reminding them that they are important, special, and loved;

2. That this Proclamation is offered in appreciation of his continued efforts to make the Village of Williamsville a more joyful, welcoming and compassionate place for all;

3. That a copy of this Proclamation be made a part of the Official Records of the Village of Williamsville, New York.

Lindsay Palmisano, artist comments regarding Trey Young:

I live in Amherst NY and I'm an artist and my story is that every week for the past year and a half I have driven down Main Street around 6:00 PM on Monday on our way home from the YMCA with my children. We began to see this gentleman holding his sign. We all get excited and for a moment that rush hour traffic just seems a lot more manageable. I've never met you in person, Trey, but I felt like you bring that presence to the community; that joy that we felt and we saw you hugging the people on the sidewalk and we look forward to seeing you every week. Fast forward - I was invited to participate in an art show in September and the art show is all about restoring faith, community unity and bringing people together. I thought what kind of artwork should I make for this? I was talking to my family about some ideas and I'm like OK what if I did

a portrait of Trey the Free Hugs Guy? I started working on that and I went on his Facebook page just to look for a picture of him and I saw that he was getting a proclamation in about a week. I was like "wow I need to get this done because how cool would it be to not only have it for that art show but to also present it at this amazing award for you"; so without further ado [presentation of painted portrait of Trey Young was unveiled.]
